

Kodak E1030/E1040 Scanners

# Scan. Send. Done.

Powerful, compact scanners that simplify data capture workflows

Transform your paper documents into intelligent and accurate information while enhancing your business processes. The new **Kodak** E1030/E1040 Scanners are fast, accurate, and reliable. They are ideal for small to medium businesses, distributed offices, and reception areas. Easily integrate the E1030/E1040 Scanners with your existing applications, on-site or in the cloud.

### Turn paper into productivity

Manual paper processes are time consuming and prone to human error. With **Kodak** E1030/E1040 Scanners, you can capture important information from paper quickly— then send, save, and access it digitally.

- Simple setup and intuitive controls make it easy to start scanning right out of the box
- Capture information fast with “instant on” technology
- Scan practically anything: various paper sizes and weights, ID cards, forms, passports, and more<sup>1</sup>
- Scan with ease and get data to the right places and people instantly, enabling information access on demand

### Unsurpassed simplicity and peace of mind

Multi-feed detection helps prevent paper jams and protects your originals.

- Easily process up to 5,000 pages per day—at speeds up to 40 pages per minute<sup>2</sup>
- Out of the box protection with our 3-year, next business day, Advanced Unit Replacement warranty
- Backed by industry-leading service and support, plus an array of flexible, customizable service plans that go beyond your original warranty

#### Compact and intuitive design

E1030/E1040 Scanners are small, quiet, and easy to use

#### Digital images better than the originals

New Dual Illumination and Perfect Page technology deliver optimal image quality and Optical Character Recognition (OCR) accuracy

#### Scan and send information with one touch

Built-in Smart Touch technology simplifies complex and repetitive tasks

#### Scan directly to apps

Seamlessly integrate scanning into your existing systems and apps—E1030/E1040 Scanners include a variety of driver options to support your business applications

#### Read barcode information accurately

Easily sort, separate and identify documents automatically, for more efficient business processes

## Key features

- 1 Simple numeric display enables one-touch scanning of up to 9 different jobs
- 2 Smart Touch makes it easy to scan to file locations, popular cloud services, email, networked printers, and third-party applications
- 3 Scan a variety of document types and sizes, including passports and fragile documents via optional accessories<sup>1</sup>
- 4 Capture more documents at once with the largest feeder capacity in its class
- 5 Multiple driver compatibility: TWAIN, ISIS, WIA, and SANE
