Shreds Per Page	446
Run Time (minutes)	 Up to 3 The length of time a shredder can be used non-stop before a cool-down period is needed.

The Fellowes Powershred® 6C is a personal, cross-cut paper shredder, designed with user safety in mind. Ideal for home use; it features the added benefit of the Fellowes Safety Lock feature so you can manually disable the shredder to prevent accidental activation, for that additional safety assurance.

The 6C is best suited for individual users and light, occasional use in home environments yet as a cross-cut, security (DIN) level P-4 shredder you still get a higher level of security and protection against information and identity theft, so you can be confident that documents such as household bills are being disposed of securely.

Paragraph Copy

It can shred up to 6 sheets of paper per pass into 4 x 35mm particles and it can shred continuously for up to 3 minutes before it needs to cool down.

This handy shredder has a compact, neat design that takes up little space and comes with an 11 litre bin with a lift off head for easier bin emptying.

It can also shred staples, paperclips and credit cards.

Comes with a 1 year machine warranty and 3 year cutter warranty.
