FB SERIES
730DC FB
Color

730DC COLOR FLATBED SCANNER.
Delivering big performance at a small price.

The 730DC Flatbed scanner—a cost-effective color solution for high-output scanning. There's no better way to produce brilliant color images at truly remarkable throughput speeds. And perhaps best of all, the 730DC FB does it at a cost that's a fraction of other scanners currently available on the market.

Presenting an image of quality color.

For true-to-life dynamic imaging, the 730DC FB provides real 600 dpi optical resolution and the rich color depth of 36-bit input. It achieves a maximum output resolution of 2400 dpi with 12-bit input to ensure crisp, clean and exceptionally legible characters use after use, day after day.

The 730DC FB comes with a standard SCSI interface.

Building customer satisfaction into every 730DC FB Scanner.

Böwe Bell + Howell continuously strives to develop and sell products that answer our customers' real world needs. The 730DC FB is the product of this commitment. Included is a 90-day warranty with 72-hour response time, on-site technical support in the United States. Service upgrade options are available through Böwe Bell + Howell Authorized Service Providers (ASP).

SPECIFICATIONS

Color Throughput Rate

Landscape	Duplex	Simplex
100 dpi	11 ipm	26 ppm
150 dpi	9 ipm	18 ppm
Portrait	Duplex	Simplex
100 dpi	10 ipm	21 ppm
150 dpi	8 ipm	14 ppm

Black and White Throughput Rate

Landscape	Duplex	Simplex
200 dpi	13 ipm	38 ppm
400 dpi	9 ipm	20 ppm
Portrait	Duplex	Simplex
200 dpi	12 ipm	31 ppm
400 dpi	8 ipm	16 ppm

Autofeeder Capacity

50 sheets

Interface

SCSI-2/SCSI-3 (standard)
IEEE 1394 (optional)

Document Weight

11# - 34# bond

Driver Support

ISIS and Twain

Specifications subject to change without notice.

Scanning Area - Flatbed

11.7" (W) x 17" (L)

Scanning Area *(ADF)*

4.1" (W) x 5" (L) minimum (color or black & white)
11.7" (W) x 24.8" (L) maximum (color)
11.7" (W) x 78.7" (L) maximum (black & white)

Output Resolution

100 - 2400 dpi

Optical Resolution

600 dpi

Color Output/Density

24 bit / 36 bit

Power Supply

110V (100-120V), 50/60 Hz
Export version: 200 - 220V

Dimensions *(including ADF)*

23" (W) x 21" (D) x 10" (H)

Scanner Weight

61.7 lbs. / 28.2 kg.

Agency Recognition

UL, CNL, FCC class B, CE, TUV
