## Product Features

Precision scanning on the go

Letters,contracts,invoices,receipts,bills,handwritten correspondence,photos,business cards. Scan anything,wherever you are! IRIScan Express 4 is a powerful combination of a fully portable color scanner and breakthrough OCR software. It simplifies all your retyping needs,whether at home,on the road or in the office. Compact,lightweight and USB powered,it is designed to be carried around and fits into any purse,backpack or laptop case.

Smart buttons for smart tasks

Don't waste your time with scanning software anymore - simply push the button to launch your scanning! IRIScan Express 4 features a smart customizable button to automate frequent scanning jobs. Simply configure the button using the provided software and your documents will be processed the way you want at the push of a button - literally!

Create compressed,searchable PDFs

Readiris Pro 14 lets you create compressed and searchable PDF files compatible with virtually any computer. The produced PDF will look exactly the same as the original scan,but its size will be up to 5 times smaller and a text layer ready to be searched will be added. It is now very convenient to find the exact information you are looking for amongst tons of archives,and the size of your digital documents will no longer be an issue while being stored or shared!
