IRIS IRIScan Pro 5 File(459037)

IRIS IRIScan Pro 5 File - Document scanner - Duplex - Legal - 600 dpi - up to 23 ppm (mono) / up to 17 ppm (colour) - ADF (20 pages) - up to 1000 scans per day - USB 2.0

Administrative professionals know better than anyone that a misfiled document is a lost document. IRIScan Pro 5 solves this problem and makes your job easy! This duplex desktop scanner (automatically) performs tedious tasks for you,such as organizing folders,sorting,searching,and filing. IRIScan Pro 5 File offers advanced features for semi-automatic file sorting into predefined folders. You can also make use of the "Smart Tasks Button"feature to program up to 9 automated tasks associated with the scanner's buttons (Scan to PDF,Scan to Dropbox,Scan to Salesforce,etc.).

IRIScan Pro 5 is a powerful tool for self-employed professionals and freelancers. With its advanced features and its high added value() software suite,it allows you to manage your invoices,contracts,and other files efficiently. Focus on your business and your customers,and avoid wasting time shuffling papers. Compact and lightning fast,this desktop scanner can scan your documents from your home or office. You can then share them directly with others!

Quickly scan lots of accounting documents (invoices,expense reports,balance sheets,etc.) and manage them intelligently within your preferred platform (MS SharePoint,Therefore,Dropbox,etc.). Documents can be converted into multiple formats simultaneously (including Excel and indexed PDF documents). All this is done with exceptional reliability and in accordance with the sector's legal standards. Choose IRIScan Pro 5 Invoice for semi-automatic invoice sorting and easy expense tracking. Boost your productivity,and cut your costs!

Product Features

Administrative work

Administrative professionals know better than anyone that a misfiled document is a lost document. IRIScan Pro 5 solves this problem and makes your job easy! This duplex desktop scanner (automatically) performs tedious tasks for you,such as organizing folders,sorting,searching,and filing. IRIScan Pro 5 File offers advanced features for semi-automatic file sorting into predefined folders. You can also make use of the "Smart Tasks Button"feature to program up to 9 automated tasks associated with the scanner's buttons (Scan to PDF,Scan to Dropbox,Scan to Salesforce,etc.).

Self-employed professionals

IRIScan Pro 5 is a powerful tool for self-employed professionals and freelancers. With its advanced features and its high added value() software suite,it allows you to manage your invoices,contracts,and other files efficiently. Focus on your business and your customers,and avoid wasting time shuffling papers. Compact and lightning fast,this desktop scanner can scan your documents from your home or office. You can then share them directly with others!

Accounting and taxes

Quickly scan lots of accounting documents (invoices,expense reports,balance sheets,etc.) and manage them intelligently within your preferred platform (MS SharePoint,Therefore,Dropbox,etc.). Documents can be converted into multiple formats simultaneously (including Excel and indexed PDF documents). All this is done with exceptional reliability and in accordance with the sector's legal standards. Choose IRIScan Pro 5 Invoice for semi-automatic invoice sorting and easy expense tracking. Boost your productivity,and cut your costs!

Legal and security

With IRIScan Pro 5,make all of your ID cards 100% digital! Simply insert cards into the cart slot on the front of the scanner. In addition to laminated cards,you can easily scan your contracts and daily correspondence for digital filing. By integrating with MS SharePoint and Therefore,you can digitally share,track,and manage your contracts. This desktop scanner saves you long hours of filing,as a lawyer and/or solicitor. Focus on your hearings and investigations,and devote more time to your clients and the things that matter!

Health and pharmaceuticals

With this multifunctional scanner,you can reliably scan medical records,medical prescriptions,Cartes Vitales,insurance cards,medication plans,and more… With the press of a button,your scans are converted into PDF or JPEG format (among others) and then shared instantly with your colleagues and associates on your preferred platform (Dropbox,OneDrive,etc.). This compact scanner fits perfectly behind a counter or in the corner of an office. It is suitable for all (para-)medical environments,such as hospitals,pharmacies,and medical practices. It is a must-have tool for everyday efficiency.

Real estate sector

Stop wasting time and energy hauling around paper wherever you go! During property visits and appointments,paper only clutters your bag,vehicle,or office and slows you down. With IRIScan Pro 5,you can scan application files and documents related to the properties you are managing,in minutes. And you can save them in any format (PDF,JPEG,Word,etc.). Store your files on your preferred cloud platform (Dropbox,SharePoint,Google Drive,etc.),and sort them easily.

Main Specifications

Product Description	IRIS IRIScan Pro 5 File - document scanner - desktop - USB 2.0
Device Type	Document scanner - desktop
Interface Type	USB 2.0
Scan Element Type	Contact Image Sensor (CIS)
Additional Functions	Scan to cloud,scan to FTP,scan to file,scan to folder,scan to SharePoint,scan to OCR,scan to image
Max Supported Document Size	Legal (216 x 356 mm)
Input Type	Colour
Grayscale / Color Depth (External)	24-bit (16.7 million colours)
Optical Resolution	600 dpi
Max Document Scan Speed	23 ppm (mono) / 17 ppm (colour)
Max Document Size	216 mm x 3000 mm
Automatic Duplexing	Yes
Supported Document Type	Plain paper,card scanner,plastic card,receipts
Document Feeder Type	Automatic
Document Storage Capacity	20 pages
Duty Cycle	1000 scans per day
Power	AC 120/230 V (50/60 Hz)
System Requirements	Microsoft Windows 7 / 8 / 10
Dimensions (WxDxH)	29.9 cm x 10.4 cm x 7.4 cm
Weight	1.5 kg
Environmental Standards	ENERGY STAR Qualified
