

Faster scans, less desktop space.

fi-60F

A6 High-Speed Flatbed Scanner

Compact scanner puts speed where you need it.

- ▶ True, 600-dpi optical resolution with one-second scanning at 200 dpi
- ▶ Coverless scanning with auto-deskew and auto-cropping
- ▶ High-speed USB 2.0 connectivity
- ▶ Includes TWAIN, ISIS® and ScandAll 21
- ▶ Includes one year Limited Warranty

FUJITSU

THE POSSIBILITIES ARE INFINITE

fi-60F

A6 High-Speed Flatbed Scanner

The right solution for small-document scanning.

The compact, lightweight *fi-60F* scanner is ideal for busy office and retail environments. It quickly scans important, small documents, such as insurance cards, identification cards, credit cards, passports, driver's licenses, photographs, and more. High-speed USB 2.0 connectivity combines outstanding performance and easy installation. Included TWAIN and ISIS® drivers and ScandAll 21 software simplify integration and boost productivity right from the start.

No time, no cover, no problem.

The Fujitsu *fi-60F* increases user productivity with fast, one-second scanning (at 200 dpi) and coverless scanning.

When full detail is needed, the Fujitsu *fi-60F* scanner delivers clean, crisp scans up to 5.83 in. x 4.13 in. — in color, grayscale, and monochrome — with true, 600-dpi optical resolution. However, when time is critical, users can scan documents at 200 dpi in monochrome or 8-bit grayscale in just one second. And 24-bit color scans at 200 dpi take just 1.7 seconds.

Coverless scanning eliminates the repetitive task of opening and closing the cover before and after each scan. Simply place documents on the flatbed and scan! Auto-deskew and auto-cropping functions optimize scan size and quality, conserving storage resources and properly orienting scans regardless of how they are placed on the flatbed.

About Fujitsu Computer Products of America, Inc.

Fujitsu Computer Products of America, Inc. is a subsidiary of Fujitsu Limited, a leading provider of customer-focused IT and communications solutions for the global marketplace. FCPA provides innovative solutions for the U.S. marketplace. Current product and service offerings include: high-performance hard disk drives, magneto-optical drives, scanners and scanner maintenance.

Technical Specifications

MODEL		<i>fi-60F</i>
Functional Specifications		
Technology		Color Contact Image Sensor (CIS)
Resolution		50-600 dpi (600 optical) ¹
Halftone patterns		Dither and error diffusion
Grayscale		8 bit/pixel (output)
Color		8 bit and 24-bit / pixel (output)
Scanning Speeds		
Binary (1 bit / pixel)		1.0 sec (200 dpi)
Grayscale (8 bit / pixel)		1.0 sec (200 dpi)
Color (24 bit / pixel)		1.7 sec (200 dpi)
Scanning Mode		Simplex
Document feeding mode		Flatbed
Document Size	Flatbed maximum	5.83 in. x 4.13 in.
Interface		High-speed USB 2.0
Software Driver Support		ISIS® and TWAIN driver included (Win 98 SE/2000/Me/XP)
Background		Black
Physical Specifications		
Power requirements (auto-switching)		100-240 VAC, 50/60 Hz
Power Consumption		8W or less, Energy saving mode: 2 W or less
Operating Environment	Temperature	42° to 95° F (5° to 35° C)
	Relative humidity	20% to 80% (non-condensing)
Dimensions (HxWxD)		1.6 in. x 9.2 in. x 5.7 in.
Weight		2 lbs.
Limited Warranty		One year Depot, Limited Warranty. For full details, visit www.ImagingService.com or call (800) 301-9475.
Inbox Contents		USB 2.0 cable
Bundled Software		TWAIN, ISIS, ScandAll21 and QuickScan V3.0 (Trial)
Options		QuickScan V 3.0 and Image Processing Software V 2.0
Features		Auto de-skew, auto cropping and removable document cover
Part Number		PA03420-B005

¹ Requires Intel® Pentium® III 933 MHz PC computer with 256 MB memory or above for optimum throughput.
