EXCEED YOUR VISION

CREDIT

Epson **GT-1500**

Fast, cost-effective personal A4 business scanner

Enhance productivity in your office with the advanced yet affordable Epson GT-1500. It's perfect for single or multi-page scanning up to A4, easy to integrate and extremely versatile, thanks to Epson's latest imaging technologies.

The Epson GT-1500 model is ideal for use in companies looking to de-centralise the scanning function across their organisations. It offers fast scanning speed and advanced imaging features to scan all paperwork in the most efficient manner without compromising on ease of use.

The perfect office A4 flatbed scanner: easy integration into document management systems with Twain/ISIS support

Direct scanning: customise controls for one-touch scanning to any folder or application

Impressive speed, great value: scan at up to 18 ppm mono and 12 ppm colour

Electronic Content Capture solution: digitise documents, books, magazines, proposals, quotations or letters

Scan fast, save energy: LED lamp for instant scanning from power on or standby. Uses up to 40% less energy

Standard software: add efficiency and reduce software costs with EpsonScan 3.4, Epson Event Manager 2.0, PageManager 7, ABBYY Fine Reader Sprint 6

Advanced imaging technologies: comprehensive features include searchable PDF, Text Enhancement, RGB dropout, auto De-Skew

Flexibility and full integration: Epson Event Manager 2.0 enables scanning process customisation to address any repository folder as well as any document management application like Microsoft SharePoint, Fax server, OCR software, at the touch of a button

Key benefits:

- Fast scanning speed up to 18 ppm in mono and 12 ppm in colour
- Flexibility and easy integration for high productivity scanning
- Advanced document imaging features for effortless scanning efficiency
- Versatility from advanced imaging, software and a 40 sheet ADF (simplex)
- Save energy with Ready Scan Led technology for instant scanning

Epson GT-1500
