IRIScan™ Anywhere 3 Wifi

Scan anywhere, go paperless!

Ultra-compact, lightweight and portable, the battery-powered IRIScan™ Anywhere 3 Wifi is the ideal tool to beat paper. Perfect for scanning just about anything at home or on the go, it allows mobile users to easily capture documents, contracts, business cards, receipts and more, without a computer!

Just slip any paper document through the handheld scanner; it is saved automatically into the provided MicroSD™ card and ready to be sent via Wi-Fi to your smartphone, iPad®, iPhone®, Android™ tablet, Windows® or Mac® computer.

But that's not all. The provided world-renowned OCR software suite will extract all key information from your scans easily. Your documents are turned into fully editable files ready to be shared in the Cloud, and your business cards are saved as digital contacts within your favorite contact management system.
