

IRIScan Book 3

You slide, it scans.

IRIScan™ Book 3 is a portable scanner that allows you to scan books and magazines anytime, anywhere and without ripping pages off. Simply roll your way across the document, and your scan will be saved automatically into the provided MicroSD™ card and ready to be transferred into your PC or Mac.

Once back at home or in the office, the scanned documents are automatically turned into editable documents by IRIS' flagship OCR software Readiris™ Pro 12.

Key features

Mobile scanner

- Cordless, battery-powered and very lightweight. Carry it anywhere!
- Ideal to scan books, magazines & newspapers.
- 300/600/900 dpi scanning resolutions.
- Scanning speed: 2 sec. for a B&W document/ 3 sec. for a color document.
- Directly scan to PDF and JPEG.
- Save scans onto the MicroSD™ card (included).
- Color screen (that preview the scanned images).
- Powered by 3 AAA alkaline batteries (included).

State-of-the-art OCR software Readiris™ Pro 12

- Convert any paper document, PDF, or image file into editable Office documents (Word, Excel®, Outlook®, etc.).
- Worldwide OCR solution - 137 recognized languages (incl. Asian and Arabic!).
- Create hyper-compressed PDF files, ideal for archiving and sharing via email.
