

HP Scanjet Professional 1000 Mobile Scanner

Convenient document scanning virtually anywhere: this scanner is ideal for small offices with little space and for mobile workers while face to face with customers or while travelling.

Digitise documents anywhere and on the go.

- Capture documents on the spot: in the office, at your customer's site and even on the road.
- Carry and use the scanner almost anywhere as it's robust, lightweight, portable and compact.
- Protect and store the scanner in the sturdy carrying case (included).
- Power the mobile scanner via your PC's Hi-speed USB 2.0 port — no batteries or AC adapter needed.

Easily scan and organise your digital information.

- Scan with the touch of a button; scan directly from the programme or application you're working in.
- Scan in different file formats: PDF, TIFF, JPEG, Microsoft Word, and save disk space on your hard drive with smaller file sizes.
- Organise, archive and share scanned documents and images, using Nuance PaperPort and convert scans into editable and shareable files with Nuance OmniPage¹.
- Scan and organise business cards and embossed cards, using NewSoft Presto! BizCard Reader software¹.

Quickly scan a variety of two-sided documents.

- Scan a variety of paper sizes, from business cards, notes, embossed cards, signatures and A4-size documents, to forms up to 14 inches/36 cm long.
- Scan at up to 5 ppm or two-sided in a single pass at up to 8 ipm, using the manual feed slot.
- Capture all the detail and fine print: get sharp, clear, legible documents at up to 600 dpi scanning resolution.

¹ Supports Windows® systems only.

HP Scanjet Professional 1000 Mobile Scanner
