Strobe™ XP 100

Smart Scanners for Smart Offices

The Mobile Scanning Solution

- 600dpi optical resolution
- 36-bit internal colour
- 10 seconds per page
- USB powered
- Includes Travel Bag

The Strobe XP 100 is the perfect companion for the mobile executive – Compact enough to fit neatly on the desk and pack easily into a laptop bag or briefcase – Portable enough to take anywhere because it's powered through the USB cable – Powerful enough to scan and organise all of your documents, photos, brochures and business cards. Whether you are on the road, in the office or working from home – the Strobe XP 100 will lighten your load.

High Quality Scans

600dpi optical resolution eliminates jagged edges and captures the finest detail from your original. 36-bit internal colour captures over 68 billion colours, so you get brighter yellows, cooler blues and richer reds.

Easy to Organise

The Strobe XP 100 is tightly integrated with ScanSoft PaperPort Deluxe, making it easy to organise your life and work. Now you can scan and file all of your documents and photographs electronically right alongside your electronic documents from Microsoft Office, PDF files from Adobe Acrobat and image files from numerous other applications.

AutoLaunch Technology

With Visioneer's patented Paper-driven™ and AutoLaunch™ technologies, you can simply feed documents and images into the front of the scanner and the Strobe XP 100 automatically turns itself on, launches the PaperPort software and instantly places the document on the PaperPort Desktop ready for use.
